# Interpreting for Sexuality and

## Contraceptives and STIs:

### Interpreting for Prevention, Risk and Care

Presented by

**Christine Gannon, M.S. ED**

#### INTERPRETING FOR SEXUALITY

This intensive one-day workshop is designed to give interpreters the opportunity to examine sexuality issues and how they pertain to interpreting, increase knowledge and skill with sexuality signs, explore values/attitudes/ beliefs about sexuality, identify situations where skill with sexuality interpreting would be useful and apply the learning to interpreting practice.

#### CONTRACEPTIVES AND STIs:

This intensive one-day workshop will provide interpreters with the opportunity to increase knowledge of up-to-date facts about contraception and sexually transmitted infections (STIs), explore ways to clearly and effectively interpret concepts, and apply the learning to interpreting practice.
